

Speaking and Listening

In Year 6, three children will have an opportunity to enter the *Wigan Rotary Club Junior Speaks Competition 2017*. In preparation, I would like you to write a **three-minute speech** about something that you feel passionately about, and present this to your peers.

This class activity will not only help your presentation skills but will also teach you to listen and have respect for others when they are speaking.

You will deliver your speech to a small group (or the whole class if you feel confident to do so.) Try to memorise your words or use prompt cards if possible.

I look forward to listening to your work – good luck!

Mrs Dixon
