

Homework Log

Let's Celebrate

Dear Children, Parents, Grandparents and Carers

Below is a list of homework activities for you to select from. You may have your own ideas which we would love to see, the list below is just a guide and not compulsory. We do aim to see one piece of homework a week but appreciate some projects may take longer.

We aim to share homework once or twice a week. On busy weeks this may be through a 'homework share' where homework is put out on display for the children and teachers to see. Other pieces may be seen and marked by the teachers only.

Please do keep homework fun! Thank you.
